ENVIRONMENTAL POLICY APRIL 2005

Cleaning By Design is a Cheshire Based Business providing Commercial Contract Cleaning and Facilities Management Services. Cleaning By Design provides low impact support services and as such we have a generally positive environmental impact as a Company. We are committed to the promotion of sound environmental practice and it is our aim to reduce the environmental impacts of our business and to operate in an environmentally responsible manner.

The Company's Key Environmental Objectives:

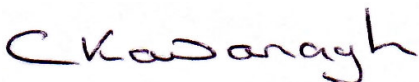

- Comply with the requirements of environmental legislation, regulations and approved codes of practice
- Ensure all employees are aware of their responsibility in executing good environmental practice.
- Set clear environmental objectives and targets relevant to the nature of our Business.
- Review the objectives and Environmental Policy Annually.
- Report the results of performance targets.

Cleaning By Design's Key Environmental Targets:

- Liaising with our Clients to promote sound environmental practice in the use and disposal of all materials
- Select only Suppliers and Contractors who adhere to an Environmental Policy Statement that contains a commitment to identifying significant environment impacts and setting targets for reduction
- Reducing waste and recycling materials where appropriate
- Reducing water usage and recycling water where appropriate
- Reduce/Minimise Pollution
- Reducing the consumption of energy by efficient use of buildings, equipment and vehicles
- Reducing, or avoiding pollution of the air, land or waste.
- Raise awareness, encourage participation and train employees in the development of good environmental practice.

This Environmental Policy applies to all aspects of our operations. Catherine Kavanagh, Managing Director is responsible for ensuring that the policy is implemented. However, all Management and Employees have a responsibility to ensure that the aims and objectives of the policy are met.

This Environmental Policy is available upon request by telephone and is also available on our web site at www.CleaningByDesign.co.uk.
